

# Tri Lakes Community Center Gazette

It is spring according to the calendar, but Mother Nature seems to have her own plan for our weather. Many of our optimistic residents have already put in their docks, patiently waiting for the warmth of the sunshine so they can enjoy a cup of coffee outdoors. It needs to dry up a bit before serious yard work can be completed in preparation for a few months of fun in the sun. Hopefully, summer-like weather will arrive soon.

Many spring and summer activities are in the planning stages and I encourage all community members to help with the success of these events. Please contact me or attend a monthly meeting to see how you can help and/or share ideas and concerns.

All property owners, including Lyman Lake, should be receiving a complimentary copy of the Gazette Newsletter. If a neighbor needs to have his/her name added to the mailing list, please contact Beth at 218-269-0469. A save the date calendar of events/membership postcard has been sent to members upon receipt of dues paid.

## SCENIC LOOP AROUND THE LAKE

The 5-K committee members would like to express their appreciation to all volunteers, sponsors and participants for making the Family Walk/Run an enjoyable experience. Funds raised last August enabled the Challenge Center to purchase a salt and sand spreader. This investment together with the snow plow purchased with the 2017 5-K proceeds, made it possible to keep ten residential program sites and the Challenge Center facility parking lot clear and accessible through a long and snowy season.

TLCC will continue this invaluable partnership by hosting the third annual 5-K Family Walk/Run on Saturday, August 17th. There are several ways to help with the success of this year's walk/run:

- \*Be a participant. Send the application form included in this newsletter to the TLCC. (Challenge friends and relatives or organize a team of co-workers.)
- \*Be a donor. Become a 5-K sponsor or sponsor a walker/runner.
- \*Be an event volunteer. Call Kate at 608-719-9379 to see how you can help.

## BAG IT TRI LAKES

Did you know that over twenty million pounds of plastic enter the Great Lakes annually? Across the Twin Ports people are coming together to address our plastic problem by encouraging the use of re-usable carry out bags. Several have offered their skill and time to sew carry-out bags that are distributed throughout the community.

Help address the the impact of single-use bags by joining community members at the TLCC on Sunday, June 2<sup>nd</sup>, beginning at 9:00 A.M. Please bring your sewing machine, thread & shears. No sewing skills? You can help cut fabric, fold & press. Donations of clean fabric and thread are accepted for this ongoing project. Hope you will consider promoting active living and the outdoor environment. For more information, call or text Diane at 715-817-1274. For more info go to: <http://www.bagitduluth.org/>
