RESPONDING TO LIFE-SAVING EMERGENCIES

In the past several months, local law enforcement, emergency services, area volunteer fire departments and search & rescue responded to several devastating emergencies. Their expertise and assistance from neighbors who jumped in and provided critical assistance helped distressed families and friends endure a crisis. Real-life Good Samaritans are among us! Thank you for lending a hand and being kind and compassionate during such critical times. Although we would like to individually recognize everyone who helped, there is no way we can know who you all are. Please just know that we are grateful to live in a community that has neighbors like you.

UPDATES AND REMINDERS

Membership dues are \$20.00 per household. It is advantageous for the TLCC budget if membership dues are paid by March 15th. This date also corresponds with the scholarship due date to insure that all applicants are eligible. Dues help with utilities, building maintenance and donations made to local charitable organizations. Memberships begin every January 1st and expire every December 31st. When paying dues, please submit your email address to help defray printing and postage costs of the Gazette Newsletter. Plus, you will receive reminders for all activities and events via email. A membership/calendar postcard will be sent upon receiving your dues.

FISHARAMA

Saturday, February 1, 2025

The morning weather was great for the 58th Annual Fisharama Fundraising Event, but the afternoon snow and wind made it difficult for the awards and prizes to be presented. One hundred sixty-nine adults and twenty-three children participated in the fishing contest. A total of forty-six Northerns, twelve Crappies and one Perch were registered.

\$100 winners in the adult division:

Randy Udeen caught a 38 ½" to take first place in the Northern category. Ryan Johnson and Chrissy Stenson tied in the Pan Fish category with 10 ½" Crappies and Darren Neubauer caught a 6 ¼" Perch to take the Other Legal Fish category.

Chrissy Stenson, please pick up your prize at the June 11th meeting or contact the treasurer.

\$25 winners in the children's division:

Trent Owskey caught a 22" to take first place in the Northern category. Leah Udeen and Beau Johnson tied in the Pan Fish category with 10 ¼" Crappies. No species were caught in the Other Legal Fish category.

Over thirty-five "anglers only" and "on the ice" raffle drawings were held throughout the day. Carrie Dittmar was the lucky 50/50 winner. She took home \$287. Congratulations to all of the winners.

Thank you for your attendance and support for the annual fundraising event. A special thank you to the twenty-eight volunteers that helped make sure the Fisharama was a success.

Annual Raffle Winners

Congratulations to the following people:

1st Place Prize of \$500: Chris Eccles
2nd Place Prize of \$250: Joy Owskey
3rd Place Prize of \$100: Ryan Hoerschner

2025 SCHOLARSHIP AWARD

TLCC Scholarship Committee Announces Scholarship Winners

The TLCC Scholarship Committee is pleased to announce it's 2025 scholarship winners. They are Kylie Peterson and Paige Johnson.

Kylie is the daughter of Jim and Jeanine Peterson and the granddaughter of Al an and Paulette White. Kylie is attending UW-Madison and studying Biology. She is also involved in community service, sports, and undergraduate research.

Paige is the daughter of Corrina Benesch and Troy & Jolissa Johnson and granddaughter of Jim and Mary Benesch. Paige plans on enrolling at UM-Duluth and majoring in Mechanical Engineering. As a senior at Superior High School she has taken on many leadership roles. Those experiences helped her to succeed as a volunteer in the community.

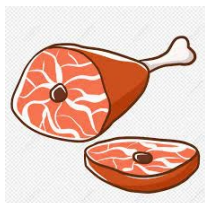

Thank you very much to the members who annually donate to the scholarship fund. Their financial support benefits two deserving students in furthering their education.

PANCAKE BREAKFAST

Delicious all-you-can-eat pancakes, sausage links, and morning beverages will be served at the community center on Sunday, May 25th from 9:00 A.M. until 12:30 P.M. Cost is \$7.00 per person, children under 3 eat free. All proceeds will be donated to the Summit and Oakland Volunteer Fire Departments. Please join us and support the fire departments. Gluten free and to-go orders will be available.

SPRING HAM BINGO

Seventy-two people attended the annual Spring Ham Bingo held on April 10th. A variety of desserts and beverages were enjoyed while participants were waiting for that one number to be called. Congratulations to the lucky winners! The bingo committee hopes everyone had a good time and thanks all attendees for their generosity and support.

Thank you to the following members for volunteering their time: Mary Benesch, Linda Bergstrom, Elizabeth Johnson, Kathy Lisdahl, Jan Najjar, Diane O'Connell, Kristy Pearson, Judy Peterson, and Maxine Tanula.

SALES AROUND THE LAKE & VENDORS MARKET

Saturday, June 14th is the date of our annual sales around the lakes and vendors market. Lake sale participants need to text their address to 218-391-8108 by Wednesday, June 11th. Applications for the vendors market can be found on our website and need to be sent to the TLCC @ 7872 S. County Rd. A, Superior, WI 54880 and must be received no later than June 11th.

Drive, bike or walk around the Tri Lakes area while checking out the garage, lawn and vendor sales. Seek out treasures at the annual event from 8:00 A.M. until 1:00 P.M. Rain or shine, enjoy a fun and friendly time during the hunt for that special item. Sale locations will be posted on Facebook and The Nextdoor sites. There will be an online map plus printed fliers available at Amnicon Bar & Restaurant, 4 Corners Store, Manitou Inn Bar & Grill, Pattison Park Golf Course and The Backyard on Amnicon Lake. The vendors market is held at the community center.

ZUMBA & YOGA

Zumba and afternoon yoga classes are done for the summer, but will be put back on the fun and fitness schedule in the fall. Free yoga classes will be held Monday through Friday mornings at 10:00 beginning on May 19. Community members are invited to join the group any day of the week. Certified yoga instructors teach every other Tuesday and the last Thursday of the month. The fee is \$10.00 for each hour long session.

Cost effective repairs have been completed and some garden & yard tools purchased to help with maintenance and clean up days. The buildings and grounds committee will continue to meet to plan, estimate costs and prioritize future maintenance projects in order to conserve energy, prevent further damage to the building and manage upkeep.

1. Installation of second new door.
2. Repair and paint stucco on basement walls.
3. Seal back of building to prevent rodent access.
4. Finish the back storage room.
5. Paint the upstairs.
6. Create a special fund for future building issues. Even though equipment is working today, the following items are aging: furnace, air conditioner & lawn mower.

The Lake District focuses on these general areas:

- We work to preserve and protect the lakes and their watersheds.
- We inform and educate our members through materials included in mailings or speakers.
- At our summer Annual Meeting, guest speakers are occasionally invited to speak.
- We monitor the water quality of the lakes and do other studies to determine future actions of the district.

This winter the Strategic Planning Committees have been busy getting started on implementing the 10 year plan. We are always looking for more people to get involved and become part of the working groups tasked with implementing the goals of the plan. Come and learn what’s been happening at the annual meeting on June 14. Look for more information coming soon about the meeting. Together we can make our lakes the best they can be.

Shoreline and Near Shore Goal: Implement shoreline and near shore practices to improve the water quality and habitat of the lakes.

Educational Goal: Provide educational opportunities and information to Stakeholders and the public.

Fisheries Goal: Improve Quality of Fisheries & Fisheries Habitat of the lakes.

Recreation Goal: Oversight of Recreational Usage of Amnicon and Dowling Lakes to ensure a safe and healthy multipurpose recreational environment.

Aquatic Plants Goal: Manage and Control both Native and Invasive Aquatic Plants.

Water Quality Goal: Reduce external and internal nutrient loading in both lakes and in their watersheds to achieve a water quality that will support a healthy lake ecosystem.

Plan Implementation and Amendment Goal: Follow through with the implementation of the plan. Review yearly and amend if necessary.

Check out our website at: adlmd.org for a complete copy of the strategic plan and the comprehensive management plan.

Interested in becoming more involved?

Aquatic Invasive Species on our lakes pose a threat to the natural biodiversity of the lakes and their shorelines. Their presence threatens the survival of our native species, competing for valuable resources and space. Residents have been mapping the location of the Purple Loosestrife for a few years. With the increasing spread of the Yellow Iris, we are hoping to engage residents of both lakes to map these populations to better manage control efforts.

Clean Boats Clean Water

The district is now hiring boat landing inspectors. The CBCW is a preventative program designed to inspect watercraft entering and leaving the lakes to prevent the spread of aquatic invasive species. If you are interested in a part-time job for the summer, head over to our website for a complete job description and download an application. You can make a difference.
